

Robert Seth Price • Grass Roots

Education Consultant

EXPERIENCES

Robert Seth Price's experiences include teaching at the K-12 and university levels. He offers full day and multi-day trainings on domestic and international stages. He designs and facilitates professional development trainings with whole school districts, individual schools, hospitals, and non-profit organizations.

Robert understands the power of lived stories. He uses the student's and participant's voices as part of his integration. He incorporates technology, social media, art, and music into his trainings. He understands networking; system development; grass roots project development; progressive education implementation; and facilitating professional leadership development.

"Robert Price is an amazing teacher and an incredibly effective and innovative educator."

"...On my part I have never seen a trainer who is as physically and emotionally involved, both heart and mind, as Robert."

"Developing presentations with Robert is an inspiring, intellectually challenging, and joyful experience."

"Robert is energetic, vibrant, carefully observing trainer..."

"Robert is one of the best presenters I have ever observed. He is organized, well prepared, and sensitive to the climate and the audience..."
