Work Experience

- 1998- Present **National Urban Alliance for Effective Learning (NUA), Senior Scholar**
- Facilitate professional development for whole districts (on-site at schools, through Zoom, hybrid wrap around model)
 - Focus on equity consciousness, critical thinking, visual tools, collaborative models, and literacy across all content areas with PreK, K-5, middle school and high school students
 - Developed and implement Amplifying Student Voice model
 - Implemented wrap around hybrid model now used with the whole organization
 - Serve as Senior Advisor to the president and management team
 - Serve as technology lead (website design and implementation; videography and editing for documentation; and social media to promote NUA)
 - Created online modules and strategies for educators
- 2021 - Present **The CLEAR Model™ and I.M.P.A.C.T. - Dr. Rev Hillstrom, Consultant**
- Collaborate with exploring ideas as a thinking partner with the founder
 - Design and support with The CLEAR Model collaboration for the Fresno Unified School District.
 - Consultant with National Urban Alliance in Osseo, MN for implementation of High Operational Processes in conjunction with district wide CLEAR Model™
 - Created websites including content, video and systems modules.
 - Design and implementation of using High Operational Practices as part of the Fresno Unified School District, CA Sunnyside Region Early Childhood Initiative
- 2011 - Present **Touching the Spirit™ - Augusta Mann, Consultant**
- Advise the CEO with online content for new website development
 - Developed and created the website including extensive video library
 - Collaborate with exploring ideas as a thinking partner with the founder
- 2018 - Present **The Pedagogy of Confidence™ Online – Dr. Yvette Jackson, Consultant**
- Create online content modules and videos used by educators
 - Developed and created the website
- 2018 - 2019 **Indianapolis Public Schools – George Buck School 94, Teacher**
- Created and implemented a critical thinking class
 - Facilitated whole school participation in weekly sessions

- 2016 - 2017 **Learning 1 to 1 Foundation**
- Led curriculum writing for ELA high school modules for virtual schools
 - Facilitated trainings for educators
- 2009 - 2018 **Thinking Schools Ethiopia, Consultant**
- Founder of grass roots student centered project with over 100 schools
 - Collaborated with Ethiopian colleagues in East Africa
 - Facilitated trainings in Tigray, Addis Ababa and other regions
- 2016 - 2017 **BSR Foundation, Consultant**
- Curated thinking skills into training modules for textile workers in East Africa
 - Led creation of Health and Respect modules including hiring Ethiopian illustrator
 - Guided the translation from English into Tigrinya and Ahmaric
- 2005 - 2016 **Thinking Foundation, Designs for Thinking™ - Dr. David Hyerle, Consultant**
- Advisor and thought partner with founder and creator of Thinking Maps™
 - Conducted an extensive literature review on visual tools
 - Created video documentation in the field with Thinking Maps™
- 1998 - 2002 **Morino Institute and Foundation, Consultant**
- Led trainings on critical thinking and technology for 14 non-profit agencies
 - Created video modules with a journalist and stenographer
- 1999 - 2001 **St. Francis College Brooklyn, Adjunct Professor**
- Designed and taught class for elementary teachers on ELA in the classroom
- 1995 - 1998 **Connecticut Voices for Children, Director**
- Statewide support of non-profits state working collaboratively
 - Led sessions on technology, literacy, GIS mapping and other foci on children
 - Served as an advisor to supporting foundation board meetings
- 1996 - 1998 **New Haven Public Schools – Public Arts High School, Teacher**
- Created and taught Arts and Activism class
 - Students amplified their voices through art installations, radio, cable tv, street theater, and other events
- 1993 - 1995 **New Haven Public Schools – Lincoln Bassett Elementary School, Teacher**
- Taught in self-contained elementary classrooms as a credentialed teacher
 - Highlights included students raising 5K with pennies collected in the community and donating to non-profits; interviewing with community people
- 1987 - 1992 **Banning Unified School District – Hoffer Elementary School, Teacher**
- Taught in self-contained elementary classrooms as a credentialed teacher
 - Highlights include five years of installations by students at Photography Museum
- 1985 - 1988 **California State University Fullerton, Adjunct Professor**
- Teacher and designer of the Clear Credential Technology Class
- 1985 -1987 **Brea Olinda School District – Laurel Elementary School, Teacher**
- Taught in self-contained elementary classrooms as a credentialed teacher
 - Highlights include a school garden
- 1984 - 1985 **Lynwood Public Schools – Wilson Elementary School, Teacher**
- Taught in self-contained elementary classrooms as a credentialed teacher
 - Highlights include extensive cultural mural project
